ATTN: Drummond Group, LLC
13359 North Hwy. 183
Suite B 406-238
Austin, TX 78750

Medisolv, Inc.
Product: Encor 4.0.1.1

To Drummond Group:

For public release and exact language used for our website and marketing distributions:

Costs or Fees

This certified product-version requires a one-time standard implementation fee with subsequent annual subscription fees for reporting purposes. For the Hospital Measures the subscription fee is per measure selected. For the ambulatory measures the subscription fee is per measure and the number of providers selected. Additional fees may be required where the client requires customized data integration services

Contractual Limitations

For this certified product-version, Mongo DB needs to be installed. This has no additional cost involved.

Technical or Practical Limitations

This product has no technical or practical limitations.

This language will be displayed on this page of our website here:

<http://medisolv.com/products/encor-suite/certification/>

We agree to notify Drummond Group of any and all future changes to our transparency and disclosures language for this certified product-version.

We understand and agree that the ONC Health IT Certification Program Final Rule statement gives Drummond Group, as an ONC-ACB, the sole responsibility for ensuring compliance and determining appropriate consequences if EHR technology developers fail to divulge accurate transparency and disclosures information.

We understand and agree that we will provide to Drummond Group copies of or give access to any and all websites, marketing materials, communication statements, and other assertions made by your organization regarding the ONC certification status of this product in a reasonable time to ensure the transparency and disclosures information is being accurately disclosed.
